Under this Agreement, the Subscriber/Bill payer's obligations in respect of the number specified in point a., under the Subscriber Contract concluded on the date of ..... shall be transferred to the number specified in point b, from the date of signing this Agreement, at the request of the Subscriber/Bill Payer.

a., Number **from which** the contractual obligation is to be taken over/assumed: .....

b., Number **to which** the contractual obligation is to be transferred: .....

By signing this Agreement, I, the Subscriber/Bill Payer, request that the Service related to the contractual commitment on the number specified in point a. shall be

.... suspended.

....deactivated.

By signing this agreement, I, the Subscriber/Bill Payer agree that the Service on the number specified in point b. (in the event of a later number change, the new number replacing it) will not be suspended (intentionally interrupted) for reasons on my part until ..... Any suspension (interruption) by the Service Provider due to an account debt is also considered a reason on the Subscriber's/Bill Payer 's part.

Failing to comply with the above condition will constitute a breach of contract on my part under the agreements on discounted purchase/service, and I shall be liable to pay to the Service provider

- in relation to the device discount: a penalty of HUF.....,
- in relation to the discounted tariff plan/service under the Agreement for the call number indicated in point a. (from which the obligation is taken over/assumed) of the statement on assumption/transfer/ of the contractual obligation: a penalty of HUF..... .

The Subscriber and the Bill Payer are jointly and severally liable for paying the penalty.

The completed form will contain the amount of the penalty for the current Framework Agreement, at the time of the document's issue, which may vary depending on the rate of the discount used. If the amount of the Framework Agreement Penalty changes before the statement is received, the current amount will be transferred to the number indicated in the document. Thank You for your kind understanding.

In case of setting the payment obligation(s) as specified above, this Agreement constitutes an acknowledgement of debt which may be used in any potential recovery/collection procedure.

In the event of theft or loss of the Subscriber Card, there are 14 days available from the date of the blocking request submitted at the Service Provider to get the Subscriber Card replaced and reactivated without losing the discount or incurring a penalty payment obligation. The replacement of the card is subject to a fee, based on the Service Provider's current tariffs for services provided on the mobile telephone network.

Only the owner of a lost or stolen telephone set may request that it be disconnected and connected back again.

The customer has presented the original documents necessary for their identification and verification of their short term. just to their eligibility, which have been seen by the customer relations representative.
